

Volleypalooza 2025!

Dear Volleyball Coach:

Welcome to your Volleypalooza-Era!

On behalf of Ironwood Ridge High School and the Ironwood Ridge Volleyball program, we are delighted to extend this invitation to **Volleypalooza 2025 – Ironwood Ridge’s 21st Annual Middle School Volleyball Festival**. The tournament will be held at Ironwood Ridge High School on **April 4-5, 2025**.

For twenty years, this event has aimed to create a unique environment where the values of competition, sportsmanship, teamwork, and pursuing victory with honor is highlighted by the young student-athletes competing. The outstanding play and the sportsmanship that characterize volleyball has provided plenty of entertainment and enjoyment for the players and coaches since 2005!

The two-day format guarantees teams at least five matches and will give your team an excellent opportunity to get into the swing of the spring season on the campus of one of the state’s top teams. The Ironwood Ridge Volleyball program wants to make this tournament one that your team will enjoy and be proud to attend.

We are accepting registration commitments to the tournament currently. Please review the information carefully and **submit a registration commitment no later than March 15, 2025, to reserve your team’s entry**. We will send a contract and invoices to confirm entry for your school’s Bookstore once we confirm the accepted teams.

Register early as this event reaches capacity every year – a waiting list will be established after the first 20 teams have registered.

Please feel free to contact me at blang@amphi.com should you have any questions or comments regarding.

We hope to see your team in action at **Volleypalooza 2025** for a great weekend of volleyball and fun!

Sincerely,

BILL LANG
